Fellowship Programme – third round

The United Nations Climate Change secretariat is pleased to announce the launch of the third round of its fellowship programme, whose objective is to contribute to building capacity for addressing climate change in Parties not included in Annex I to the Convention, **particularly in small island developing States and least developed countries.**

The Programme is intended for mid-career governmental officials or other nationals engaged in the work of non-Annex I governments, with a view of enhancing their expertise and understanding of the UNFCCC.

For the third round of the fellowship programme, candidates are encouraged to complete and submit their applications by 31 July 2010. For more information on the programme and eligibility requirements, please consult the UNFCCC website at the following address:
<http://unfccc.int/secretariat/fellowship_programme/items/4429.php>.

Queries should be addressed to Ms. Enrica Melandri, Associate Programme Officer, Capacity Building and Outreach Unit, Financial and Technical Support Programme, e-mail:
<fellowship@unfccc.int>.
