WHAT IS THE PURPOSE OF EU SUSTAINABLE ENERGY WEEK?

To offer a promotional platform for sustainable energy actors and their projects across the European Union

HOW CAN YOU TAKE PART?

Promote your activities or products by organising an event, such as:

- an open-door day or guided tour
- a showcase of products, technologies, or facilities
- a conference/workshop
- an exhibition or
- a web-based event (webinar, chat, video conference, etc.)

WHY ORGANISE YOUR OWN ENERGY DAY IN JUNE?

- **Budget:** save on communication resources by registering your event with a 100% free-of-charge, public, web-based platform – www.eusew.eu
- **Network:** partner with thousands of other actors across the European Union and the rest of the world – EUSEW community
- **Autonomy:** access to a reliable online registration system for your participants through www.eusew.eu
- **Promotion:** receive support from a multilingual team of communication advisors, media officers and social media managers – energydays@eusew.eu
- **Agenda:** give visibility to your scheduled events on www.eusew.eu and through social media channels
